SUBJECT: Weekly Activities Report No. 11, 5 - 12 March

25X1

1. Basic Supervision. Basic Supervision #28 (GS 5-7) commenced 11 March. A total of [] requests for enrollment were received for this presentation, only [] of whom could be admitted. To meet the demand, another running of the GS 5-7 presentation has been scheduled for April. 25X1

2. Basic Management. Basic Management #32 (GS 13-15) concluded 8 March 1957 with [] persons in attendance. The group participating was more senior than that in any of our more recent presentations. Eleven major offices or staffs were represented. The course as a whole seems to have been very well received. One of the highlights of this presentation was Col. White's first appearance before the Basic Management. 25X1

Basic Management #33, to be given 25 March to 8 April, is already fully subscribed, with [] persons having requested admission to the course. 25X1

3. Replacement of a Basic Management with a Basic Supervision Presentation. Basic Management #34 originally scheduled to begin 22 April has been suspended and a GS 5-7 Basic Supervision scheduled in its place. The reasons for this are twofold: the proposed departure of [] the second week of April, and the 100% oversubscription of Basic Supervision #28 noted above. 25X1
